Institutional Distinctiveness

The College of Social Work Kamptee was established in the year 1995 and celebrated its Silver Anniversary (25th Year) in the year 2020. The vision of the institute "Education for Social Change" The college focuses on creating a collaborative academic environment with the holistic development of the student, and for that we adopt a policy for admission and in this policy, we are instead a giving admission to only cream layer student, we prefer to admit the student from deprived segments of the society and we provide chance for education instead of getting overburden by educational expenses. These segments are neglected by the various reputed institutes who don't give admission to the financially, academically and socially weaker students. As a social responsibility institute gives chances to students who could not get admission due to their conditions. These students are preferred for admission without any discrimination. Even the students who scored low percentages are provided with fare chances of getting admissions. Special care and effort are taken for students belonging to weaker sections, backward class of rural areas of this region who are given priority during admission. Students of Bachelor of Socials Work I Semester are given with the facility of Free Admission where no admission fees are charged to them. The institute also explores the excellence identify that lies within the students and fetch out by motivation, the changing needs of the society and the external environment through strategic planning. Conduct a community program to make aware the society in social issues. Social responsibilities developed among the students to promote the value of education in the classes. Institute creates intervention with the needed people to get rid of the problem and to get justice. Institutes solve the individual problems of the community people in between the learning by experience, in working on the human problem at individual, group and community level. The institute has the privilege of having several students from different segments of society. Institute also tries to promote employment and self-employment

opportunities for the rural students by imparting education in various job-oriented fields of social work in undergraduate and post graduate level. The college is committed to quality and excellence in all its activities-teaching, research, training and extension. The college contributes towards women empowerment by organising various activities such as Gender Equality Awareness Program, Stress Management, Session on gender sensitization, Women's Day Celebration, etc., under the aegis of its gender sensitization. The spirit of mutual work, discipline, social responsibility towards community development and nation building is inculcated through NSS and Non-governmental social organisation in the college as well as in community also. College always practices intensive and inclusive improvisation strategies according to the needs of students to facilitate this academic progress. Various lectures and seminars on social issues are conducted to stimulate personal and professional growth through discussion about attitudes, feelings, and experience related to the field of community.

Extension activities of the institute are conducted with commitment, focusing on reaching the poorest of the poor. Similarly, these students are encouraged to focus on the issues and problems of society. When they are doing their research project current issues and psycho-social problems are addressed in the research work of our students. This helps in developing more understanding and inside towards the various issue or problems of social importance. Students at our college are provided with counselling services for academic or personal problems. These services are provided by the (mentor) teacher and a counselling cell is also established in the college for the same. These services are free of cost and if needed the External Resource Persons/Experts can get help for counselling related to their particular problems. Psychological testing whenever needed is made available for needy students is also performed during the field work tenure of the students. Free guidance and coaching are provided to the needy student for the preparation of Competitive Examinations such as MPSC, UPSC, Railways, SSD, NET, SET and other services. Guidance programmed for facing interviews and proper presentation skills is also provided to the job seeking students by all the faculty members of the college. Students are allowed to contact any faculty member for guidance and help regarding professional activities. Our students are encouraged to participate in various activities of social issues and social work interventions. They are actively involved in the awareness program organised at rural and urban settings. The institute also allowed students to participate and be involved in various health promotion and awareness programs organised by collaborating NGO's and sub-district hospitals. In recent years Students are actively do Shramdan in various social activities like, Check Dam's Construction, Plantations, Blood Donation Camp, Cleanliness Movement, Health Check-up

Camps. During the Rural Camp tribal community is closely observed and their issues are identified which later on leads to intervention. Institute is always ready to involve in program and activities on various cost cutting issues and also planned and implement the programs considered as need of the hour. Institutes are also involved student in developing social responsibility in them by activities likes to visit to agencies related to disabled, old aged, handicapped, women's, migrant labor, health, orphans, etc. All these lead to our sense of social concern and responsibility in the students. A Webinar on the birth anniversary of Dr. Ambedkar was conducted. The topic of webinar was "Dr. Babasaheb Ambedkar's views on Agriculture" on 14th April 2022. It was aimed at creating awareness among students regarding Dr. Ambedkar. Chief Guest of the program was Dr. Suresh Somkuwar. He guided the students and explained briefly about the topic. Students and faculties were present for the webinar. During the COVID 19 crises our institute has distributed the ration kits, Sanitiser and face masks to the needy families as the institute responsibility towards society. Students living in different rural and urban areas are also extended this help works during the pandemic situation and involved in distribution and supply of necessary things to the needed family. Our college works with devotion and great concern for the society, this leads to the various activities to fulfils our social responsibility.
