Institutional Perspective Plan

The Institute has a perspective plan for development which is as follows

Own Infrastructure- at first, there is a plan for having college's own building and infrastructure as per the norms of regulating bodies. Accordingly infrastructure having computer lab, ICT enabled classrooms and a digital library will be developed. The college also has a plan to have its own motor vehicle for the ease of transportation for our students coming from distant places.

New Courses- The college has a plan to initiate new programmes open up new eras of knowledge for the students. For this purpose proposal for short term course for Counselling, Yoga and Personality Development has been submitted to RTMNU and sanction for these courses is in process.

More linkages as MOU- In last four years college has initiated many MOU with several institutes like ISSUE, JEEVAN TARANG, RUDYA, Swami Vivekananda College of Social Work, Nagpur. Colleges aims to facilitate faculty and students for the various social causes.

Implementation of NEP-as the RTMNU has declared NEP at PG level from last year and UG level will be from next year, many new changes have to made for expansion of learning opportunities for the students e.g. clusters of the college, vocational skill courses. This will be a challenge but we are ready for this change.
